NOTE—Parcels 4483-4489, inclusive, 4491 and 4492, are Petroleum and Natural Gas Permits, classified C as to rent and work requirement, but under the provisions of subsection (2) of section 90 of the *Petroleum and Natural Gas Act* notice is hereby given the permits, when issued, will not be renewed more than four times.

Whole gas spacing areas may not be split by any lease selection except in the case of an oil discovery on a drilling reservation, or where the units which may be earned dictate otherwise.

Separate tenders enclosed in sealed envelopes marked "Tender for Parcel _____," must be submitted.

Each tender must be covered by an accepted cheque, bank draft, or money order made payable to the Minister of Finance, in an amount to cover fee, rental, and bonus.

Anyone may ask that, if an offer on one or more parcels is not accepted, that it be considered on another parcel or parcels, provided the intent and order of choice is clearly stated, and the amount of the remittance is sufficient to satisfy the fee, rental, and bonus on the further choice.

Tenders involving slide bonus offers must only include parcels of a like kind, i.e., all permits or all leases or all drilling reservations. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.

And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.
